Mail Order Quick Reference Guide

<p>Creating an Online PPS Account First you will need to create your online account</p>	<ol style="list-style-type: none"> 1. Select "Register" from the upper right hand corner of the PPS website 2. Enter your email address, create a password 3. Select "Create Account"
<p>Setting Up & Accessing Patient Information Once you have created your online PPS account, you must connect it to a patient profile for either yourself or someone you wish to manage</p>	<ol style="list-style-type: none"> 1. Once you have created your online PPS account, you will land on the "Add a Patient" page of the website <ol style="list-style-type: none"> a. New Patients - If you have not filled a prescription with PPS or The Kroger Family of Pharmacies, you will need to fill out a new patient request form by selecting "Request New Patient" <ol style="list-style-type: none"> i. Follow the steps to set up your patient profile and request your first prescription fill(s) ii. Once you enter the medication(s) you need from your doctor or retail pharmacy, PPS will contact the doctor or retail pharmacy to get all the required information iii. Call PPS at (800) 552-6694 to provide your method of payment for your new prescriptions (PPS can't ship your new prescriptions without this information) b. Existing Patients - If you have filled a prescription with PPS or The Kroger Family of Pharmacies, you can access your prescription history and order refills by selecting "Add Online Prescription Management" (you will need a PPS or The Kroger Family of Pharmacies prescription number for this step)
<p>Ordering New or Transferred Prescriptions Once you have added a patient to your online PPS account, it is easy to add new prescriptions or transfer prescriptions from another pharmacy</p>	<ol style="list-style-type: none"> 1. Select "Add a Prescription" from the left navigation menu and follow the on-screen steps for PPS to request a new prescription from your doctor or a transferred prescription from another pharmacy 2. Your doctor can send a new prescription to PPS by electronic prescribing, fax, phone, or mail 3. Or, if your doctor has given you a paper prescription, you should mail it to PPS at: PPS Prescription Services PO BOX 2718 PORTLAND, OR 97208-2718 <p>* Generally, it takes about 3-5 business days for PPS to contact your prescriber or pharmacy to obtain your prescription(s). If you requested a fill of these prescriptions, they will be sent as soon as the prescriptions are received and filled.</p>
<p>Checking on Order Status Once you have requested a prescription, you can track the delivery status using your PPS prescription number</p>	<ol style="list-style-type: none"> 1. Select "Prescription History" from the left navigation bar and look under "Recent Prescriptions" for a status or tracking number <p>* Tracking numbers may appear up to 24 hours before tracking information is available on our carriers' websites ** You can only check on an order status if you know your PPS prescription number (new members can call PPS to obtain their new prescription number(s), if you want to check your order status)</p>
<p>Opting into the Refill Reminder Program Once you have a prescription setup, you can call PPS to opt-in for the refill reminder program</p>	<ol style="list-style-type: none"> 1. Call PPS at (800) 552-6694 and tell them that you would like to opt-in to the refill reminder program 2. You will need to tell the representative if you prefer text or email notifications 3. Once setup, you will receive a notification that includes the last 4 digits of the prescription(s) due to be refilled 4. Call PPS at (800) 552-6694 or visit ppsrx.com to refill the prescription(s)
