## Terms and Conditions

- 1. General Terms:** This Agreement shall be governed by and construed following the State of Connecticut's laws. Connecticut State Law requires Servco Oil & Propane to purchase futures propane contracts to make this contract. The Customer agrees to provide safe and unobstructed access to a propane tank that meets applicable fire and safety codes.
- 2. Plan Definitions:** This is a FIXED Price Plan: The per-gallon price under the Fixed Price Plan will NOT change, up or down. The FIXED price remains the same from the acceptance date to the Plan end date. If taxes are levied against home heating fuel during this Plan, those taxes shall be paid by the Customer to Servco Oil & Propane.
- 3. Gallons:** This Plan covers a customer's estimated annual volume. Estimated gallons are based on the home's square footage and what a customer would reasonably expect to use for a family's heat and hot water. The maximum gallons covered by this Plan is 2,000 gallons.
- 4. Automatic Delivery:** The Customer agrees that Servco Oil & Propane is the sole supplier of propane and agrees to accept deliveries on an automatic delivery basis. After the Price Plan period expires, the Customer agrees to remain on automatic delivery with Servco Oil & Propane at Servco's Daily Posted Price. The Customer can terminate automatic delivery at any time after the Plan period by providing Servco Oil & Propane with a written request to do so. The written request may be by postal letter or email.

- 5. Plan Dates:** This Plan is effective upon Servco Oil & Propane's acceptance of the Customer's signed agreement. The Plan expires on April 30, 2024. Deliveries made after April 30, 2024, will be charged at Servco's Daily Price.
- 6. Acceptance:** This Plan is time-sensitive, and Servco Oil & Propane reserves the right not to accept a Plan not returned within three (3) days. This price becomes effective when Servco Oil & Propane receives your signed Price Plan. Your account balance must be current and in good credit standing. If your account becomes past-due at any time, Servco Oil & Propane reserves the right to place your account on a C.O.D. basis and charge Servco's Daily Price per gallon for deliveries made while the account is past due.
- 7. Cancellation:** If you cancel this Plan before the Plans END DATE, Servco Oil & Propane reserves the right to charge you a liquidated damages fee equal to any devaluation of estimated gallons not delivered. (EXAMPLE: 500 gallons remaining and \$1.00 per gallon devaluation, then a liquidated damages fee of \$500.00 would apply.) All cancellations must be in writing by postal letter or email.
- 8. Liability:** In the event of war, terrorism, national crisis, circumstances beyond our control, or the non-ability of Servco Oil & Propane suppliers to provide price-protected fuel to Servco Oil & Propane, Servco Oil & Propane may cancel this contract.

#### **Please Acknowledge**

I have read and accepted the terms and conditions of this Plan.

I understand that my price will not change, up or down, during the term of this agreement.

I understand that my plan price will expire on April 30, 2024.
